

I-PRO WELCOME EMAIL – BUSINESS + PRODUCT

I am so excited to have you join us and get started with your Isagenix system! I got your initial order placed, which means you now have your own Isagenix account where you have access to purchase the products at the wholesale price (25% discount off retail) for the next 12 months, and also be able to enroll others on your team if you choose to pursue the opportunity.

To login to your account, go to www.isagenix.com and click on “customer login” in the top right corner.

Here is your login information for your Isagenix account:

Username: **ENTER HERE**

Password: **ENTER HERE**

I'd highly recommend downloading the free IsaLife App on your phone as it is a great tool to use to stay on track while getting started with your Isagenix system, and for placing/editing orders, and sharing with others! I also recommend going to: www.isabodychallenge.com and getting signed up for the IsaBody Challenge (16-week transformation challenge). There's so much FREE support, tools, workouts and over \$200,000 worth of prizes available. For simply signing up and completing the challenge, you will receive a T-shirt and \$200 in FREE products!

I enrolled you in the Lifestyle Rewards (autoship) Program where you save additional money (get rewards pricing vs. just wholesale pricing). Your next order is set to ship on **ENTER DATE HERE**. You can edit your order at any time (remove items, add items, push out your next order date, or cancel, etc.) It is very easy to manage! However, when pursuing the business/referral opportunity, you want to stay “active” to be able to earn income. That just means that you order at least 100BV of Isagenix products (roughly \$160 worth of products) every 30 days.

To edit your Lifestyle Rewards autoship order go to www.isagenix.com and login. Then click the orange "Manage Lifestyle Rewards" button. Now you are able to adjust your next shipment date by clicking on the calendar and selecting a new date under "Next Lifestyle Rewards Order Date". You can also add new products to your order by clicking the "Add products to this Lifestyle Rewards Order" button. You may also remove/edit products/systems from your order by clicking the blue “Delete” or “Edit” just below the item(s) you wish to adjust.

I also just added you to both our product and business support groups on Facebook. **I-Pro Lifestyle & Performance** Facebook group is where we share product info, tips, healthy recipes, workout tips, motivation and support. **The I-Pro Legacy** Facebook group is where we have business building tips, team trainings, fun incentives and challenges. Be sure to accept the invitations to these groups when you login to Facebook next and stay plugged in for lots of great info, motivation and support.

While waiting for your products to arrive, I'd HIGHLY recommend going through our I-Pro Legacy Business Jumpstart Page: www.iproexperience.com/legacy
Check out steps 1, 2 and 3 immediately and also print off the documents at the bottom of the page.

My goal for every person I work with is to help them find 2 people to join them within their first week. I feel confident that through pure passion and excitement you'll have no problem doing that and immediately be on your way! So check out that website, and let's connect within the next day or two to get things rolling.

Let me know when you get your Isagenix products in the mail, and if you have any questions. I am looking forward to helping you crush your goals!
